

# GOLD MEDAL SWIM SCHOOL

## GMSS Meet Entry Procedures

1. GMSS coaches will review all meets available for training groups and post the season meet schedules via email communication.
2. Coaches ask parents to sign up their swimmers for all meets via the Gold Medal Swim School website by the appropriate deadline. Registration will open as early as possible and within at least 2 weeks of the meet. The Wednesday before the meet at midnight is the last chance to register. Late registrations are not accepted by the meet host.
3. All swimmers will be entered in 4 events. Swimmers are encouraged to swim all strokes at this level and do not specialize until they are more developed in their racing. The fee for all swim meets is \$20/swimmer and is non-refundable regardless of attendance.
4. Final meet entries will be sent 1 day before the meet via email and posted to the Gold Medal Swim School website. Coaches will send an upcoming meet reminder email to groups on the Monday prior to the meet.
5. Parents and swimmers are encouraged to read all expectations of swimmers and families before attending a meet. Gold Medal provides the most amount of coaches at any swim meet to help swimmers but are not responsible for making sure they are ready to race at their designated lane. Please review all expectations here: <https://www.goldmedalswimschool.com/12-swim-team/what-to-expect-at-swim-meets/>

I understand that failure to abide by the above rules and guidelines as it pertains to swim meet entry.
